### LANGUAGES

- Ukrainian (native)
- English (upper intermediate)

### PROFILE

I am a front-end developer, and I have worked with such tools as React.js, Nest, Next, GraphQL, Jest, Redux, MobX, etc.

Frankly speaking I would like to work in a team with a good management, clear tasks, and flexible schedule.

As for me, I prefer a remote work.

### COMMERCIAL PROJECTS

Developed a huge website for the USA Trucks logistics business for 1 year.

Duration: 16 months

Technologies: React.js, Firebase, TypeScript, Redux(saga, hooks), Scss

Developed a website for managing a Construction business. It was designed for users who want to build their own houses, apartments, etc., and for builders who propose their services to clients
